AS we all know, things are changing by the hour and PhD will roll with the punches.

We are going to offer take out through the end of the week, then re evaluate the situation.

WASH your hands, no hand shakes or hugs (for now). PhD continues to clean and sanitize all high traffic area's including door handles, railings and such ...

We will get through this ... we just need to be creative, have patience, stay calm and keep the faith!

Thank you from the bottom of my heart for your continued support.

Love always, Eric and the PhD Family
